TO THE CITIZENS OF ENFIELD:

I would like to thank all those involved with our projects over this last year. A Federally funded CETA group, under the direction of Fred Altvater, worked on repairing Town facilities which included minor repairs at Huse Park, painting the Fire Station and cemetery fences, odd repairs and painting inside the Town garage, cleaning up the area next to the feed store, cleanup after tree removal on Maple Street and various other tasks.

After renovation of Whitney Hall the building has been put to very good use by Townspeople of all ages.

The Huse Park multi-purpose court has allowed many youngsters to participate and enjoy sports within the village.

Our Town sewer facilities plan will be completed by mid-1978 and the design stage will then begin. Actual construction should start in 1980 or early 1981 if all goes as anticipated.

The Selectmen have various projects and improvements slated for 1978 and we hope to receive citizen support in fulfilling Town needs.

Usually I am in the Selectmen's Office from 9 A.M. to 5 P.M., Monday through Friday. Occasionally I am out of the office to conduct Town business, so please be patient.

If I can be of assistance to you, please come in or phone. Thank you for a rewarding year in Enfield!

Sincerely,

Peter G. Russell

ENFIELD PLANNING BOARD

In 1977 the Planning Board held 20 regular meetings and 15 public hearings.

Because of the work load imposed by subdivision applications and non-residential site plan reviews, not as much progress was made on updating the Master Plan as had been anticipated.

A questionnaire was developed, however, and will be used in 1978 to obtain expressions of opinion from the citizens of Enfield relative to their desires concerning the future development of Enfield. Also, data were collected on building activity and a study made on trends in school population.

Work continued on the Soil Survey of the Town. It is anticipated that this program will be completed in 1978.

Respectfully Submitted,

Raymond Aldrich
Chairman

I would like, at this time, to thank the members of the Planning Board for their support and help during the past year; also for the co-operation of the Selectmen and other town officials whenever needed.

REPORT OF THE BUILDING COMMITTEE

In the year since the newly created spaces in Whitney Hall were occupied by offices of Town government, the building has also been heavily used by many groups in the Town of Enfield. In addition to providing space for the Planning Board/ Conservation Commission, Budget Committee, etc., the building has also provided needed space for other groups including health clinics, Cub Scouts, Brownies, Girl Scouts, Slimnastics, and the F.A.S.T. Squad and has even provided a place for wedding receptions and anniversary celebrations to occur. Peter Russell noted the other day that the only occasionally slow week night for Whitney Hall is Friday.

Naturally the members of the Building Committee are pleased that Whitney Hall received a new lease on life and that through its renovation, the community has realized many more opportunities to come together to meet and resolve common goals and objectives.

Now that our role is coming to an end, on behalf of Betty Cattabriga, Bill Maloy, Frans Strandberg, Dr. Henry Brown, Pat Mack, Ray Aldrich and Ed Johnson, I'd like to take this opportunity to thank all those in Enfield who have supported our efforts over the last two and a half years. I hope that the rehabilitation of Whitney Hall will serve as an example of the Town's commitment to preservation of its past in a way which can meet the needs of future generations.

Respectfully submitted,

Paul Mirski, Chairman
Building Committee

ENFIELD PUBLIC LIBRARY

Circulation rose to a record high of 13,299, an increase of 3,299 over 1976. New fiction and several magazines were purchased with close attention given to the expansion and updating of the general Non-fiction and Reference Collections. Additionally 2,174 volumes were borrowed from the State Bookmobile, which came four times during the year.

The special program for grade school bus students moved successfully into its second year. This program allows these students to use the library during designated school hours. All grade 1 pupils, accompanied by their teacher, visited the library on a weekly basis. Many of these first graders participated in last years kindergarten program, which was continued this year. A series of story hours was conducted for the three to five year olds.

A gracious monetary gift from William A. Maloy and family was received with appreciation. The bequest was made in memory of Amelia Maloy, a past member of the Board of Trustees and friend of the library. At the request of the family, the gift will be used to augment the juvenile sections of the library.

Appreciative acknowledgement is extended to all those who donated time, books and materials to the library during 1977. A special not of thanks is extended to the Friends of the Library for their many contributions; and to Andrea Thorpe and Deborah Warren for their voluntary weekly assistance.

The library administration extends a warm welcome to all those who visit the library and utilize its facilities.

Respectfully submitted,

Marjorie A. Carr
Librarian

MASCOMA AREA HEALTH COUNCIL - 1977

The Health Council is entering its ninth year of service to the towns in the Mascoma area. In 1977 the office was moved from the High School to Whitney Hall in Enfield. The telephone number remains the same: 632-7234.

The existence of the Mascoma Area Health Council continues to attract State funds for the free children's health and dental programs, as well as assistance with adult health screenings. Eighty (80) Mascoma children were given vision and hearing tests before entering the Canaan and Enfield Elementary Schools in the fall. Federal assistance is often available to Enfield people for nursing, physical therapy, and home health aide services provided in the home. All programs are available to anyone in Enfield regardless of their ability to pay.

During the year, the town of Enfield received the following:

<u>TYPE OF CARE</u>	<u># OF VISITS</u>
Skilled nursing care in the home (includes visits to newborns)	1,097
Physical therapy in the home	314
Home health aide	186
Preschool dental program	68
Well child clinics-children enrolled	77

ENFIELD F.A.S.T. SQUAD

The First Aid Stabilization Team (F.A.S.T.) was organized on February 3, 1977. The following officers were elected: President, John L. Dunn, Jr.; Vice President, Nancy Foley; and Secretary-Treasurer, Janet Shepard.

The Squad has 24 volunteer members all trained in emergency care. Through the scheduling of members, 24-hour coverage is provided to the Town. Lebanon Fire Department is currently dispatching the members.

In its first year the Squad handled 55 ambulance calls treating a total of 77 people.

By holding several fund raising events, we were able to purchase a portable oxygen tank with an aspirator and a jump kit.

Meetings are held every two weeks at Whitney Hall with one hour spent on in-service training; simulated accidents, illnesses, etc. Further training is attained by attending monthly meetings at Mary Hitchcock Hospital and seminars held twice a year throughout the State.

In case of an emergency, the number to call is 632-4322. As soon as all the towns that are involved are hooked up to Lebanon Dispatch and operating, a central number will be used for all fire, police and ambulance calls.

We'd like to see more of our Enfield residents participate in training courses offered in the area and becoming members of the F.A.S.T. Squad.

REPORT OF THE RECREATION COMMITTEE
December 31, 1977

This year we saw the completion of the multi-purpose court. We are positive that our new addition to the town's recreation facilities will provide many people with years of personal enjoyment as well as good physical fitness. Most of the credit for services rendered is due to our past chairman Fred Paradis (who resigned during the summer) for his diligent work in directing this effort. A new set of bleachers were installed this spring and thanks to the Enfield Methodist Men's Club we have new horseshoe pits which certainly saw plenty of use this summer and fall.

The summer program was again directed by Betsy Christy. The program was very successful through the efforts of Betsy and her staff. The staff included Bill Scott, Sandy Domina and lifeguards, Nyla Toms, Joe Doran, and Jan Dunn.

The winter skiing program helped 55 children take advantage of Whaleback and Storrs Hill ski areas special season tickets offer.

Our special thanks this year go out to Mr. Harold Moody, Mr. Guy Bailey, the Lions Club members and all who helped in many ways to make this a successful year.
